

How do I redeem my Tango giftcard?

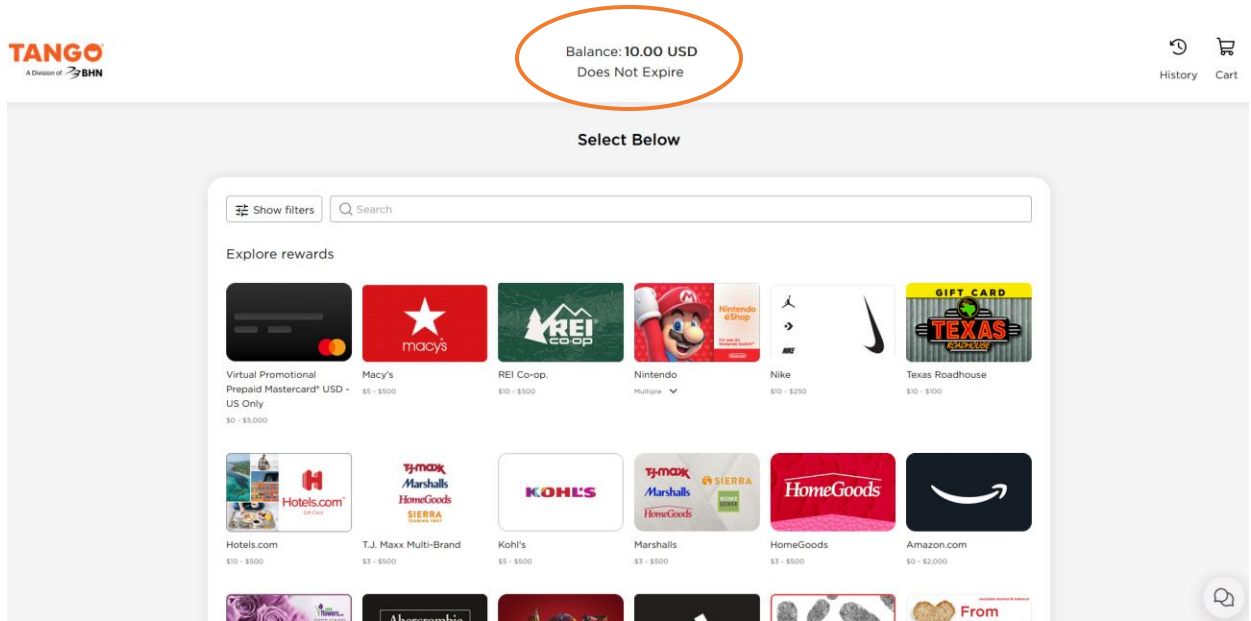

*You will receive an email from **noreply@tangocard.com** once your gift card is ready.*

1. Open the email and click on the redemption link as shown below.

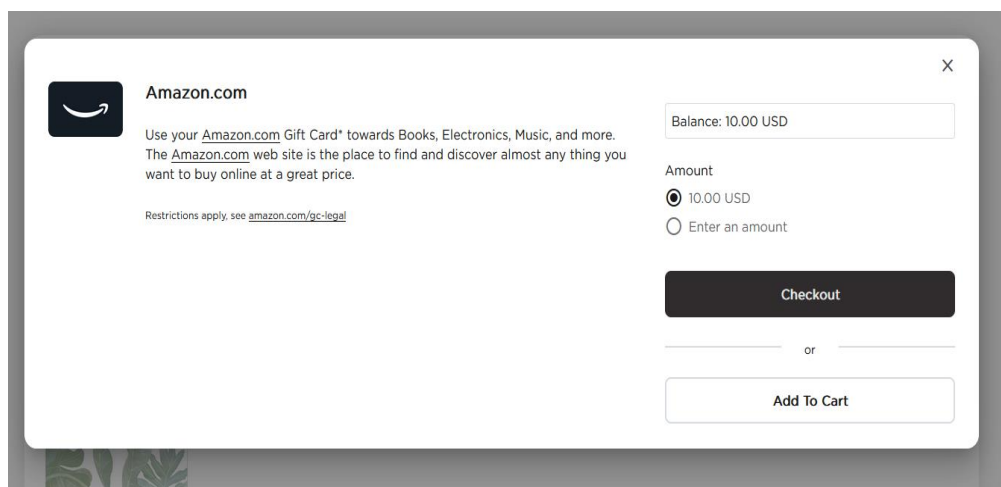

2. It will take you to the TangoCard website. Once there you can choose your preferred gift card. At the top of the page you will see your available balance.

You are able to choose stores such as Amazon, Ulta, Starbucks, Target, or a Visa gift card.

3. After selecting your preferred gift card input the amount you would like to use. *You are able to split the balance across multiple stores.*

4. Complete the purchase by providing your first and last name, email, and finish by checking the box.
